Access to On Line Appointment Book and Prescription Ordering

Please sign below and email it to Killearn.pptbooking@nhs.net or hand it in at reception to register for On Line Access

Your Registration details will be emailed to you within 48 hours. If you prefer you can collect your registration details from the surgery.

Online access requests for appointments and Repeat Prescribing can be done either by accessing <https://patient.emisaccess.co.uk> or www.killearnhealthcentre.com

Applications are 'one per patient' and specific to the individual patient.

Applications for online access will not normally be considered for patients who are under the age of 16 years (minors).

Requests for re-issue of access log-in details will be via collection at the Practice only supported by proof of identity.

Online appointments booked are to be cancelled by the patient as soon as it is determined that it is no longer required.

Personal Information such as mobile number and email address details can be updated via this system. It is the responsibility of the patient to update the Practice with this information. Change of address cannot currently be processed through this system.

Access may be removed by the practice at any time.

Agreement: I agree to the above Terms and Conditions and agree to abide by them.
